Description

This is an example of a private bespoke commission. Please get in touch to discuss your own ideas; we can make anything in silver.

We were asked to supply a silver tray that could be engraved with Leicester City Football Club's home ground, The King Power Stadium, for presentation to the chairman, Vichai Srivaddhanaprabha, on his 60th birthday. This tray was chosen from our antique collection to appeal to the chairman's taste, while allowing a large area for the personal engraving.

The scale image of the stadium was finely hand-engraved, and as well as a presentation inscription, we engraved the names and facsimile signatures of the entire football squad and management team.
