REF: 4193

Width: 80 mm (3.15")

Depth: 60 mm (2.36")

Weight: 73.8 g

Description

Well made silver tobacco box with pinch or incurved ends and fitted with a jeweller's flush hinge - a sign of quality. By squeezing or pinching at either end of the box, between finger and thumb, the lid springs open. The interior has a frosted finish and makes a delightful trinket box.

Its simplicity lends itself to engraving. Your own ideas for personalisation or visit our engraving archive for further inspiration.
