REF: 5617

Height: 368 mm (14.49")

Weight: 1004 g

Description

One of the most iconic and definitive pieces of Judaica, no Jewish home is complete without at least one pair of Sabbath candlesticks. This pair of antique silver candlesticks is made in the Polish style with knopped stem and hand-chased flute and leaf decoration. They are not filled and have removable nozzles. This style is often referred to as Shabbat or Sabbath candlesticks.
