REF: 7511

Height: 152 mm (5.98")

Width: 90 mm (3.54")

Depth: 90 mm (3.54")

Weight: 656 g

Description

Pair of classic George I style sterling silver candlesticks of cast (solid and unfilled) construction and particularly good quality. In a style that was popular in the 1720s, these silver candlesticks stand on shaped stepped square bases, each with a sunken well in the centre and incurved corners. The stems feature shaped, knopped decorations and elegant capitals.
