Pair of round George I style silver candlesticks

William Comyns & Sons

Sold

REF: 8115

Height: 170 mm (6.69")

Diameter: 105 mm (4.13")

Description

Pair of round silver candlesticks with circular and stepped bases and stems. Made in the mid-20th century, the design has been taken from early 18th century patterns associated with the era of King George I, circa 1725.

Their elegant styling fits in with both contemporary and traditional settings.
