Height: 170 mm (6.69")

Width: 87 mm (3.43")

Depth: 87 mm (3.43")

Description

This charming pair of small Edwardian sterling silver candlesticks were made at the start of the 20th century in the classic fluted Corinthian column style. Featuring familiar neoclassical motifs, the capitals are designed with beaded edging and an attractive scroll and garland decorating the square bases. The nozzles catch the drips of wax and are removable to aid cleaning.
