Antique & Contemporary Silver

Pair Petalo Italian silver candlesticks

De Vecchi

£3,895

REF: 1275

Height: 220 mm (8.66")

Width: 100 mm (3.94")

Weight: 672 g

Description

With curves typical of De Vecchi's sinuous designs during the 1990s, Gabriele believed the structure of the traditional candlestick could be subdivided into modular elements that can be left as autonomous lights in the space or they can compose a single object. He was right. The Petalo silver candlestick (unfilled) looks good as a single piece but makes a dramatic display when clustered, giving off candlelight and reflected light from the silver bodies.
