## Description

Set of 12 heavy-gauge silver fish knives and forks in the ever classic Old English pattern and featuring line-engraved blades and prongs.

Originating in the 1750s, Old English pattern with its simple clean lines, showing a single thumbnail to the reverse of the bowl and the pip on the front of the forks and the back of the spoons, is the definitive British flatware pattern and remains the most popular pattern through to the present day.
