Description

This 19th-century 1st quality (950/1000) French silver cutlery set has been created in a pretty scrolling design reminiscent of La Régence pattern.

The service is presented in its original lined cases and comprises:

- 12 table forks
- 12 dessert forks
- 12 tablespoons
- 12 dessert spoons
- 12 teaspoons
- 1 pair of sugar tongs

Since antique knives rarely survived we have included 12 modern table knives and 12 modern dessert knives in either La Régence or Louis XVI pattern to complement the set.
