Description

Fine set of hand-forged antique Victorian Old English sterling silver cutlery for 12 people, all presented in its original wooden canteen. The set is in excellent condition, and can be used daily.

Originating in the 1750s, Old English pattern with its simple clean lines, showing a single thumbnail to the reverse of the bowl and the pip on the front of the forks and the back of the spoons, is the definitive British flatware pattern and remains the most popular pattern through to the present day.

This handmade silver cutlery set comprises:

18 table forks
12 dessert forks
12 tablespoons
12 dessert spoons
12 teaspoons
1 basting spoon
1 pair of sauce ladles
1 soup ladle
4 gilded salt spoons
1 butter server
1 pair of sugar tongs

Antique knives rarely survive, so this antique silver cutlery set is supplied with 12 pairs of modern silver table knives and dessert knives, all with stainless steel blades meaning they are dishwasher safe.

This Old English silver cutlery set is not available to purchase online. Please get in touch if you would like more information or are interested to buy it.
