Langfords 12-piece tarnish-proof cutlery storage roll

£37

Description

With an individual pocket for each item, this storage roll will keep up to 12 pieces of silver cutlery sparkling bright and safe from knocks and scratches. It's made from special anti-tarnish fabric, which will retain its protective properties as long as it is not washed.

An ideal size for cutlery between 160-260mm long; dinner, dessert, fish and steak knives and forks, as well as a variety of spoons.
