

LANGFORDS

Antique & Contemporary Silver

Pair of antique Victoria pattern sterling silver fish servers

Thomas Sansom

Sold

REF: 7583

Width: 330 mm (12.99")

Description

Antique silver fish serving knife and fork in the classic Victoria pattern. Both blade and fork are of openwork construction and hand engraved, both front and back. The fork depicts scrolls, the knife blade delicately engraved within a panel with a riverscape and salmon plus along with entwined, rolling foliage, scallop shells, dolphin heads and culminating in tridents.

Length given is for the knife. The fork is 245mm (9¾") long.
