Set 24 Old English Thread pattern table & dessert knives

C J Vander

£1,850

Description

12 pairs of modern silver table and dessert knives in the Old English Thread pattern, with heavy-gauge silver handles and fitted with stainless steel blades meaning they can be safely put in the dishwasher. C J Vander was known for making the heaviest gauge knives.

This thread decoration of this modern set of silver knives is a lovely variation of the Old English pattern, first made in the 1760s but becoming most popular in the mid 1780s. Its classic simplicity makes Old English Thread a consistently popular choice that complements traditional or contemporary table settings.
