Continental silver fish pill box

Andrew Barrett & Sons

Sold

REF: 7522

Width: 70 mm (2.76")

Depth: 32 mm (1.26")

Weight: 23 g

Description

Charming novelty model of a fish cast in 930 standard silver; European and probably German. With a hinged head this silver fish is useful as a pill box. His eyes are set with garnets and the body is nicely decorated with realistic overlapping scales.

The piece shows London import marks for 1897
