Height: 240 mm (9.45")

Width: 265 mm (10.43")

Description

Edwardian antique handmade silver photograph frame of superior quality. The frame is made from a very thick gauge of silver and is backed in wood. The aperture will take a 170mm x 215mm (6¾" x 8½") photograph.

Antique landscape frames are rare since almost all photograph frames of the period were made in portrait format.
