Description

Lovely pair of antique Edwardian ebossed silver photograph frames in the Art Nouveau style. The organic embossed silver decoration features the swirling stems and oval pods of Honesty plant and the frames are fitted with their original green leather backs and easels.

The portrait style aperture will hold a 135mm x 90mm (5½" x 3¾") photograph.

Art Nouveau was an ornamental style of art that flourished between 1890 and 1910 throughout Europe and the United States. The distinguishing ornamental characteristics are its long undulating asymmetrical line, often taking the form of flower stalks and buds, vine tendrils, insect wings, and other delicate and sinuous natural objects.
