Height: 195 mm (7.68")

Width: 265 mm (10.43")

Diameter: 245 mm (9.65")

Description

Superb quality, large-capacity, cut glass caviar bowl with 1st quality (950 standard) French silver bead pattern mounts and leaf pattern handles. The glass bowls are hand cut to incorporate a stylish fluting pattern.

A good caviar serving bowl features a two-part nested design that safely cradles the delicate roe over crushed ice to maintain an optimal temperature without freezing or warming it.
