REF: 5767

Height: 220 mm (8.66")

Weight: 2230 g

Description

This stunning four-piece, Victorian tea and coffee set is oval shaped with tapering straight sides and bead pattern mounts. The hand-engraving is exceptionally crisp and shows birds flying over fruit and flower baskets. The teapot and coffee pot have flush hinges - a sign of superior quality - and the interiors of the cream jug and sugar bowl are gilded.
