Height: 250 mm (9.84")

Description

A rare silver-plated cocktail shaker in the form of a 1930s vision of a futuristic rocket. Fun and stylish.

Art Deco was a popular design style in the 1920s and '30s characterised especially by sleek geometric or stylised forms. It represented luxury, glamour, exuberance, and faith in social and technological progress. For that reason silver cocktail and barware were popular categories of goods to reflect the style of the time.
