Description

Unique to Langfords, this is an interesting silver double hip flask with a secure bayonet, single-twist lid, perfect for sharing. The slimline body is slightly curved to fit against the neatly in a chest pocket and the capacity of the two compartments is 180ml in total; a little bit more than 6 fl ozs.

The single-twist lid allows you to open it with one hand - so no need to let go of the horse's reins!
