Antique & Contemporary Silver

Edwardian cut glass & sterling silver pepper grinder

John Grinsell & Sons

£350

REF: 5811

Height: 90 mm (3.54")

Diameter: 58 mm (2.28")

Description

Classic antique cut glass pepper mill with sterling silver mounts and a crank handle. The plain silver contrasts nicely with the crisp hobnail cut of the glass and this example has the desirable feature of a crank mechanism. The mill's original grinding movement is in perfect working order.
