Antique silver model cock pheasant

Berthold Müller

£1,150

REF: 5203

Height: 95 mm (3.74")

Depth: 270 mm (10.63")

Weight: 189 g

Description

Bearing import hallmarks for London 1922, this nicely detailed figure of a cock pheasant is modelled in sterling silver with finely hand-chased plumage. Adding to its charm, the silver pheasant features hinged wings and glass eyes.
