Description

This superb model or sculpture of an eagle with outstretched wings is realistically modelled and cast in sterling silver, with finely hand-chased detail. This fine silver statue is dramatically depicted with wings spread and standing on a cast rocky outcrop and was made by the excellent silversmithing firm - Barnard & Sons - specialists in, among other things, model making for more than a century.

This modern silver eagle model is not available to purchase online. Please contact us if you would like more information or are interested to buy it.
