Antique & Contemporary Silver

Large silver model of a leaping salmon

Wakely & Wheeler

£8,950

REF: 8430

Height: 340 mm (13.39")

Width: 395 mm (15.55")

Depth: 190 mm (7.48")

Description

Finely detailed sterling silver model of a leaping salmon breaking surface from realistically modelled flowing water. The salmon model is made in the traditional way, cast and then the fine detail is hand chased and the realistic motion has been well captured by the artist.

The whole silver salmon is set on a solid mahogany base with a plain silver plaque ready for engraving, and would make a wonderful fly fishing trophy.
