Running retriever silver model

£1,560

REF: 6955

Height: 100 mm (3.94")

Width: 165 mm (6.5")

Weight: 374 g

Description

One of our most popular silver models is this large and fine silver retriever dog.

Langfords' heavy quality models are cast in sterling silver using the traditional, centuries-old technique of lost wax casting where molten silver is poured into a mould that has been created by means of a wax model. Once the silver has solidified, the wax model is melted and drained away. Each of our models is then individually hand chased to produce the lifelike effect seen in the finished piece.
