Description

The DB5 is the best-known cinematic James Bond car, first appearing in the James Bond film Goldfinger in 1964.

Celebrating the timeless design of the Aston Martin DB5, Grant Macdonald has crafted an exclusive silver model of one of the world's most iconic cars. This precise 1:30 scale model of Aston Martin's 1963 sports car, is a limited edition of 100 pieces and carries the official Aston Martin collection hallmark as a final stamp of approval.

Handcrafted in London in hallmarked sterling silver and presented on a wood and glass plinth, Macdonald's silversmiths spent 50 hours crafting this perfect replica of the DB5. Each model takes the skills of 11 London craftsmen to produce this fine silver model DB5, from expert casters to polishers. This precise 1:30 scale model of Aston Martin's 1963 sports car, is a limited edition of 100 pieces and carries the official Aston Martin collection hallmark as a final stamp of approval.

Fitted with its own sterling silver plaque, engraved with the edition number 10/100 and the Aston Martin logo, the model is accompanied by a signed certificate of authenticity and presented in a sleek black and grey case, handmade by master box makers in England.
