REF: 8783

Height: 55 mm (2.17")

Width: 230 mm (9.06")

Depth: 150 mm (5.91")

Description

Charming, antique silver-plated bowl authentically crafted in the form of a clinker-built rowing boat; a method of boat building in which the edges of hull planks overlap each other. The model is fitted with oars, rope and anchor. Apart from being a delightful decorative pieces, it was probably made to function as a novelty bowl for serving nuts, berries or sweets.
