Antique & Contemporary Silver

Pair of Scottish silver sugar tongs converted to ice tongs

Maker's Mark Indistinct

Sold

REF: 1597

Width: 150 mm (5.91")

Weight: 53 g

Description

Antique silver bead pattern sugar tongs that have been converted to ice tongs. Nowadays sugar tongs are in less demand for numerous reasons so these have now been converted to be used for grabbing ice cubes.

We have many pairs of antique sugar tongs, in a variety of patterns, that we could convert for you.
