Description

This lovely oval silver-plated teapot is based on a Georgian style and is prettily decorated with attractive hand-engraved decoration around the body a lid; and the latter topped with a fruit-wood finial. The sweeping handle features a thumbpiece and is fitted with ivory insulators to prevent the handle getting too hot. It pours beautifully and makes a perfect breakfast teapot.

Note: Under the rules of the UK government's Ivory Act 2018, this silver teapot qualifies for an ivory exemption certificate. If required, the ivory parts may be replicated and replaced with an ivory substitute at no additional cost.
