Antique & Contemporary Silver

4-piece Louis silver tea & coffee set

Robert Harper

Sold

Description

Classic antique silver Louis pattern four-piece tea & coffee set with the unusual feature of having covered milk jug and sugar bowl. The set exhibits the typical decorations of the period and this design such as the detachable cast eagle finials, fine hand chasing on the body, swan neck spouts on the two pots that have sun mask decorations. The bases are cast and of openwork construction.
