Art Deco silver tray
Mappin & Webb

Sold

REF: 6153

Width: 365 mm (14.37")

Depth: 560 mm (22.05")

Weight: 2500 g

Description

Good quality Art Deco silver tray with a sleek stepped applied border and raised hexagonal ebony handle. The dimensions given include the handles. The usable surface is 440mm x 300mm (17½" x 12") which suits a four-piece silver tea and coffee set comfortably, and it just so happens that we have an Art Deco silver service (6152) that matches this tray beautifully
