Antique silver golf trophy
R F Mosley & Co

Sold

REF: 7320

Height: 163 mm (6.42")

Diameter: 120 mm (4.72")

Weight: 340 g

Description

An attractive and unusual golfing trophy, made in 1918, with a plain round shallow bowl and a cast pedestal base supporting three differing golf clubs, representing a wood, an iron and a putter.

This silver golf trophy sits on a plastic plinth which is not included in the dimensions.
