

## Hand hammered silver beaker with applied pheasant Langfords

£1,050

REF: 7797 Height: 112 mm (4.41") Diameter: 72 mm (2.83") Weight: 292 g

## Description

Lovely hand hammered, heavy-gauge silver beaker beautifully decorated with an applied cast, and hand chased pheasant in high relief. The body of the silver beaker is multi-faceted, adding sparkle to the piece, and the interior is gilded.

Other silver beakers in the collection feature hare, grouse, boar, duck, stag and salmon.
