George III antique silver bottle or decanter coaster

Richard Morton & Co

£750

REF: 8158

Height: 40 mm (1.57")

Diameter: 130 mm (5.12")

Description

A single antique silver bottle or decanter coaster featuring a hand pierced openwork gallery decorated with interwoven scrolls, and fitted with a bead pattern rim. The turned mahogany wood base is original to the coaster and features a small light-coloured pip at the centre.

This size coaster is versatile in that it can accommodate a magnum, decanter or single bottle, and the blank cartouche could be engraved to personalise the piece if gifting.
