George III silver coaster

J W Storey & W Elliot

Sold

REF: 2591

Height: 40 mm (1.57")

Diameter: 175 mm (6.89")

Description

Finely detailed and good quality George III silver coaster, suitable for holding either a decanter or a wine bottle. This antique coaster has a classic George III style leaf, shell and gadroon pattern mount and retains its original wooden base with central silver button. The button is engraved with a crest of a demi-bull rampant with spear through its chest.
