Antique & Contemporary Silver

Pair of George III silver wine coasters

William Allen III

Sold

REF: 9299

Height: 50 mm (1.97")

Diameter: 138 mm (5.43")

Description

Pair of class antique silver wine bottle or decanter coasters made at the beginning of the 19th century. The sides are crisply hand pierced and hand engraved with a classic grape & vine pattern, while the rims feature applied gadroon pattern mounts. The original wood bases each feature a central silver button or boss, engraved with an as yet unidentified family crest.
