Description

Perfect for serving cakes or hors d'oeuvres, this stylish two-tier .800 standard silver cake stand is decorated with bead pattern borders, cast leaf pattern handle and bands of decorative floral-work applied to the gallery sides. The original silver gilt adds to the overall elegance of this silver cocktail stand.

The Stefani family started their silverware firm in Bologna in 1920 producing works of the highest quality and working silver using ancient techniques of chisel, embossing, engraving and wax casting. Some of their pieces rest in prestigious collections and illustrious buyers include the Sheikh of Brunei and François Mitterrand.
