Pair of large Victorian silver wine or water goblets

Frederick Elkington

£3,950

REF: 7861

Height: 140 mm (5.51")

Diameter: 83 mm (3.27")

Weight: 460 g

Description

Pair of superb quality, large-capacity antique Victorian silver wine or water goblets, with hand chased bowls and bases.. Each is profusely decorated with floralwork, scrolls and flowers, set against a mottled background. The interiors are gilded and will not interfere with the taste of the wine or water.

A perfect gift for a silver wedding anniversary.
