Antique & Contemporary Silver

Large Victorian silver water jug

Charles Stuart Harris

£3,450

REF: 6352

Height: 210 mm (8.27")

Width: 190 mm (7.48")

Weight: 877 g

Description

Handsome antique silver water jug with a hand raised body that is hand chased to create a banded barrel effect around the lower third of the piece. The beak-shaped spout features a simple ribbed decoration while the cast handle is fastened to the body of the jug with a silver acanthus leaf terminal. The interior has its original gilding.

This silver jug's style would easily fit easily into a classic table setting or a more contemporary one.
