Height: 240 mm (9.45")

Depth: 330 mm (12.99")

Description

One of three highly original water jugs from De Vecchi exhibiting the Italian silver designer's trademark mirror surfaces and a sense of fun. The Trebok silver-plated waterfall jug, with its smooth olive wood handle, is highly original yet functional.

Before reaching the glass, the water in the jug springs from one spout to another as though it was flowing down a stream. Limited production of 40 per year.
