Description

Made in Italy, this is a contemporary silver-plated Champagne or wine cooler featuring a hand-hammered design around the body and two sleek and plain handles. This is contemporary design at its simplest and most useful best.

And here's a tip:

Don't just fill the wine cooler with ice cubes to chill your favourite wines or Champagne. Fill with ice, then halfway up with water, before dropping in the bottle or bottles. If there's room for more water, add it. Adding water creates an icy bath that's in contact with the entire surface of the bottle. You're welcome!
