Description

Antique Chinese silver card case beautifully hand chased in fine detail. One side features noblemen and priests dignitaries on horses in a procession set against a scene crossing a bridge over a river and a background incorporating a landscape of trees a temple in the background. The hinged cover is decorated with dragons and foliage. The other face of the case is profusely decorated covered in bamboo against a mottled ground. The sides have a berry and leaf design.

The cover is released by means of a push-button mechanism.

Men bearing gifts to horsemen

Trees, shells, water - typical motifs
