Round wooden trinket box & silver decoration

Unknown Maker

Sold

REF: 7196

Height: 35 mm (1.38")

Diameter: 75 mm (2.95")

Description

This fine grain wooden box with simple circular form is decorated with a silver panel incorporating finely detailed, embossed flowerheads and scrolling foliage set against a mottled ground. We believe this trinket box was made in the early part of the 20th century in Japan.
