Antique & Contemporary Silver

Pair antique silver candlesticks

Thomas Bradbury & Sons

Sold

REF: 2774

Height: 180 mm (7.09")

Diameter: 100 mm (3.94")

Description

Elegant pair of antique round silver candlesticks with fluted bases, stems and capitals. The tapering stems and fluted decorations are a design first made popular in the 1780s, reflecting the fashion for neoclassical design. The nozzles are correctly hallmarked and easily removable to aid cleaning.
