Large antique silver rose bowl

Henry Stratford

£3,950

REF: 7606

Height: 173 mm (6.81")

Diameter: 290 mm (11.42")

Weight: 1254 g

Description

This lovely and versatile silver rose bowl is circular in form and is attractively decorated with a band of relief drapes and swags above a fluted section and mounted on a round collet foot.

Showing its versatility, the size of this silver bowl lends itself to being used to show off a floral display but also functions as a punch bowl or wine cooler.
