Shallow hand-hammered silver bowl

George Unite

Sold

REF: 8254

Height: 55 mm (2.17")

Diameter: 200 mm (7.87")

Weight: 426 g

Description

Shallow handmade silver bowl, with a hand hammered textured surface, and mounted on a collet base. The multi-faceted finish of the hammering reflects the light and gives a lovely sparkle to the piece.

The bowl is suitable for use as a fruit bowl, for sweets and, if filled with water, as a flower head display as a table centrepiece. Its simplicity of style lends to complementing most styles of table setting.
