Kate Greenaway scent bottle

Horton & Allday

Sold

REF: 3562

Height: 60 mm (2.36")

Description

This gorgeous Victorian silver scent bottle is beautifully hand-engraved with figures inspired by Kate Greenaway's children's illustrations. The silver has a frosted finish and the detail within the engraving is partially gilded with rose coloured gold to enhance the fineness of the work. The lid is decorated with flowers and butterflies and has a plain shield on top surrounded by an armorial belt.
