Description

Good quality handmade antique oval silver photo frame with velvet back and easel in the Edwardian style of the early 20th century. The silver frame has a cast decorative finial featuring a rose and other flowers while the body is surrounded by a ribbon and reed pattern border.

Two small silver rings could hold a ribbon for hanging on the wall.

The back and easel are covered in green velvet and the oval aperture will hold a photograph 5" x 3¾" (125mm x 95mm), making a perfect gift.
