Height: 110 mm (4.33")

Diameter: 315 mm (12.4")

Weight: 1338 g

Description

This shallow mid-20th century sterling silver fruit bowl or tazza was made by Tiffany & Co of New York circa 1950. With its clean and simple lines, the round shallow dish sits on a pedestal base of four stacked rings on a round disc base.

This stylish piece has a wonderful hefty feel and would sit comfortably in an Art Deco or contemporary setting.
