REF: 5692

Height: 150 mm (5.91")

Depth: 173 mm (6.81")

Weight: 262 g

Description

Victorian silver toastrack with seven gothic arch partitions and a central scroll pattern handle and central, ball-shaped support.

The partitions are quite wide, allowing for thick pieces of toast and this makes it eminently useful as a letter holder, and rack for mobile phones and tablets.
